Revised 7/15/2008

## Montana Child & Adult Care Food Program

Family & Group

Day Care Homes

A Child Nutrition Program of  
the United States  
Department of Agriculture's  
Food and Nutrition Service.

Montana's Early Childhood Services Bureau is dedicated to helping children and families succeed by increasing the affordability, accessibility and quality of early care and education.

### **The Child & Adult Care Food Program encourages participating**

#### **organizations to:**

- ◆ Offer a wide variety of nutritious foods.
- ◆ Purchase fresh foods and purchase foods locally when possible.
- ◆ Develop menus and recipes that include cultural considerations.
- ◆ Serve foods made with enriched or whole grains.
- ◆ Serve foods with a least one good source of Vitamin A every other day.
- ◆ Serve food with a least one good source of Vitamin C daily.
- ◆ Serve foods with three to four good sources of iron daily.
- ◆ Serve meals family style.
- ◆ Support breastfeeding or use of breastmilk for infant feeding, or serve iron-fortified infant formula. Milk is served with meals for children age one and above.

Montana has eleven organizations to sponsor family and group day care homes to get started on the Child and Adult Care Food Program. If you are interested in participating, contact any one of these food program Sponsors for more information.
